Dear Friend of ESNOC,

We are gearing up for our best day ever! Mark your calendar for Saturday, August 22nd, 2020, when patients, families, doctors, nurses, business professionals and volunteers will gather together at TeWinkle Park in Costa Mesa to *UnSeize the Day!*

We invite you to join our **11th Annual Epilepsy Walk Orange County** by donating an **item/service/experience** to raise critically needed funds to help infants, children, teens and adults find relief from seizures by donating to our silent auction.

All proceeds from this inspiring walk, our largest fundraiser, go directly towards helping individuals with chronic epilepsy find epilepsy specialists, education and support programs. In 2019, we served and educated over 15,900 individuals in our community.

The **need** is tremendous and we are the **only** organization in Orange County serving the estimated 33,000 individuals diagnosed with epilepsy, 11,000 of whom continue to have uncontrolled seizures. It is our **dream** that every family has immediate support from our organization when an infant/child/teen or adult suffers his or her first seizure. Your donation will allow us to make this dream come true: stopping seizures and saving lives.

Please complete and return the enclosed form to:

Epilepsy Support Network of OC
1500 Adams Ave., #301
Costa Mesa, CA 92626

May the **Force** and **Cure** be with us!
